

Sustainable Hotels for Earth Day

By Katie Skrzek | Apr 5, 2023

Barthélemy Hotel & Spa

With Earth Day around the corner on April 22, travel companies offer sustainable travel experiences. Check out the latest from these sustainable hotel brands.

[Le Barthelemy Hotel & Spa](#)

This boutique hotel in St. Barth commits to sustainability with new and expanded initiatives. The 44-room property recently introduced a zero-waste culinary concept at its beachfront restaurant AMIS. The hotel also expands its partnership with Coral Restoration St. Barth, offering interactive guided dives, starting this month.
